

Washing-Up Liquid Sallowthorn Mandarin

AlmaWin cleaning products are convincing through best quality regarding protection of the environment, dermatology and efficiency. Our ecological ingredients are very skin mild and gentle to the skin and they are successfully dermatologically tested. Our ingredients are based on raw materials of vegetal and mineral origin – if available certified organic. AlmaWin renounces on synthetical colorants, perfums and preservatives, on petrochemical ingredients and on nanotechnology. Genetic engineering is of course a no-no, too. All ingredients are bio-degradable and of natural origin.

Ingredients:

≥5% <15% nonionic surfactants (saccharoidal surfactants), anionic surfactants (vegetal fatty alcohol sulphates), < 5% perfums (essential orange oil and mandarin oil*), limonene. * certified organic. Further ingredients: water, ethanol, sodium chloride, lactic acid, extract of sallowthorn berries, wheat proteins. 100% of the ingredients are of natural origin.

Characteristics:

The fruity smell of essential mandarin and orange oil makes dishwashing to a pleasant experience of freshness. The washing-up liquid sallowthorn mandarin removes easily fat and dirt and provides brilliant and clean dishes. The skin-mild extract of sallowthorn and precious wheat proteins protect skin and hands at the same time.

Dosage: 1 squirt is enough.

Product sizes:

500 ml bottle, 1 liter – bottle – made of 100 % recycling PE
5 l canister – 20 l canister

Application:

For manual dishwashing. Put one squirt of washing-up liquid into warm to hot water. For very oily dishes and for dirtier dishes (pans, pots, stucked leftovers) please dose a bit higher.

Hint: You can use washing-up liquid also for treatment of fresh stains of fat on your laundry.

Awards:
