## Reusable Bamboo Towels

Ecoegg's reusable Bamboo Towels are a complete replacement for kitchen towels. They are amazingly absorbent, super strong, and each towel can be reused 85 times.

### Bamboo Towels - Directions for use:

- 1 Tear a perforated sheet from the roll, and use for:  
Spills, messes, cleaning, wiping, dusting and drying.

- 2 Use until the sheet needs washing, and then machine wash.

### Washing directions:

- 1 Machine wash the Bamboo Towel at up to 60 degrees.

Each towel can be washed up to 85 times.

**85x**  
WASHING

- 2 Line drying is recommended. Do not use fabric softener and do not iron.

You can also bleach the towels if you wish.

After a few washes, you'll find the towel becomes softer and even more absorbent.
